INNOVATION IN PLASTICS & LIGHTWEIGHTING

QUALITY POLICY

**We, the Employee of ABC Technologies,
Proudly Declare Our Personal Commitment to:**

Be the supplier of choice exceeding our customers' expectations by having a Quality Culture that will not Accept, Build, or Ship a Defect!

ABC will achieve this vision by driving standardization, continuous improvement, employee engagement, and using key quality indicators to evaluate and deploy the ABC Global Manufacturing System (GMS) across all ABC Manufacturing sites.

As an ABC employee, Quality is MY job.
